# CREATING VALUE AND SUSTAINABILITY

**NO PROFIT ON LAND**

**NO DEVELOPMENT FEE**

**IN-HOUSE DEVELOPMENT MANAGEMENT**

**SIGNIFICANT EXPERIENCE**

**GBCI CERTIFIED BUILDING**

**LOW-COST FUNDING**

Our land is costed at the acquisition price with no margin on the cost at which it was put into the development.

No development fee is included in our proposals; our intention is to keep these assets for the long-term and view this as a long-term strategic partnership.

Since the development is managed in-house, significant cost-saving on main contractors, P&G's and overall costs are experienced.

We are logistics experts; we have gained experience in building a number of large A-Grade logistics facilities in SA.

This development will be EDGE certified by Green Business Certification Inc. (GBCI).

Market-leading cost of funding due to both low cost of debt and equity.
